### DoD Expanded Access – New Eligibility Guidelines

As of January 2020, more veterans & caregivers have eligibility for Military Exchanges, Commissaries, & MWR Recreation Activities. The Department of Defense has expanded commissary, exchange & MWR retail eligibility to Purple Heart recipients, former prisoners of war, all veterans with service-connected disabilities (0-90%), & individuals approved & designated as the primary family caregivers of eligible veterans under the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

The DoD, VA & the Department of Homeland Security have collaborated to implement [Section 1065 of Title 10, United States Code](#), for those who are eligible for this benefit. The facilities that are open to newly eligible patrons are Commissaries, Military Exchanges, & MWR Facilities. Those who are 100% Disabled Veterans are already eligible for these benefits with their DD Form 2765.

If you are a newly eligible veteran (or caregiver) who does not currently have any other affiliation with the military services that provide access to installations, you will need to obtain a Veteran Health Identification Card (VHIC) that will get you access to your privileges. These are veterans who are eligible solely under Section 1065 of Title 10, United States Code (Purple Heart recipients, former POWs, veterans with 0-90% service-connected disability). You must obtain a Veteran Health Identification Card (VHIC) from Veterans Affairs to facilitate DoD & Coast Guard installation privilege access, & it must display the eligibility status ("PURPLE HEART", "FORMER POW", "SERVICE CONNECTED"). Visit <https://www.va.gov/healthbenefits/vhic> for information & the process. Only eligible veterans who have been issued a VHIC from the VA can present their VHIC to gain entry to DoD & Coast Guard installations, & have access to commissaries, exchanges, & MWR retail activities.

*This is in addition to the eligibility found in each listing in this book.*

**It is the guest's responsibility to verify all policies prior to arrival.** Eligibility can vary based on mission requirements & vacancy rates. Some installations require a background check at the installation visitors center. Eligible veterans may be denied entry if the background check reveals felony convictions, felony arrest warrants, or other types of derogatory information related to criminal history or terrorism. Answers to FAQ can be found here:
